The battle for
the independence of South
America... I
think everyone
agrees that a
single "hero"
is at the center
of this battle.

On the battle-
field, he is like
the grim reaper,
but in reality, he
is a very under-
standing and
gentle man.

And so, the last
battle of the
South American
hero begins.

It's said that the plan proposed by Prime Minister Reinman of the Kingdom of Scandinavia has been approved.

HOW DID THE NEGOTIATION COME OFF?

They actually want to restore Gato to its former state. How can we give up on land that we have won in battle?

However, how can we accept this kind of ridiculous treaty to end the war?

REALITY

In order to finalize things before the treaty goes into effect, the military has sent out a large force because we hope that the military side would quiet things down.

NOT TO MENTION, YOU ARE DIVIDING UP SOUTH AMERICA, AREN'T YOU?

THING...

ARE NOT
THOSE

WHAT I

HEY,

NO.

WHAT
IS IT?

I HAVE
SOME THINGS
TO SAY FIRST.

OK.

WE WILL

OF SO.

WELL, I
COULDN'T

HOWEVER
THIS IS ON
SPECIAL
MILITARY-
ITALIAN
RECORDS!

THE PEACE
TREATY THAT
THE EARTH
AND PLANT
AGE GOING
TO SIGN, IS
FINALLY
GOING TO BE
APPROVED.

ONE OF THE TERMS OF THE TREATY IS TO RETURN NATIONAL BOUNDARIES BACK TO THEIR PRE-WAR STATUS.

IN OTHER WORDS, SOUTH AMERICA WILL ALSO BE RETURNED TO ITS PRE-WAR STATUS, UNDER THE ATLANTIC FEDERATION LEADERSHIP.

WHAT'S THAT?

THE TREATY WILL ACCEPT THE SOUTH AMERICAN BATTLE IN A BIG WAY.

LATER, WE WILL BROADCAST THIS PIECE OF INFORMATION OUT DURING THE NEWS.

AFTER THAT, THIS BATTLE WILL FINALLY END.

WHAT ARE YOU SAYING?

I'M AFRAID THE BATTLE WOULD NOT END.

HAT WHAT IF BEEN DOING UP TILL NOW BEEN ALL FOR NOTHING?

IT'S BETTER THAN TO FIGHT INDEPENDENCE THEN NOW WILL THIS BATTLE FOR INDEPENDENCE SO ON?

FORWARD, BUT UNO-PERFECT IS STILL UNO-PERFECT.

ONLY

INSTEAD THEY
WILL TRY TO LAUNCH
AN ATTACK AND USE
THEIR MILITARY
MIGHT TO SUPPRESS
SOUTH AMERICA
THROUGH THE TREATY
TRUCKS SAID--

THE SOUTH
AMERICAN ARMY
THINKS UNABLE
TO WIN WILL LOSE
ROBLES AND
COLLAPSE THAT
IS WHY I
GLADLY

EVEN AFTER
THE ALLIANCE
MOVEMENT
HAS MADE
THEIR DECISION, THE

WOULD NOT
CONSIDER
ATTACKING

I HAVE A

ARE STILL

EVEN THOUGH
WE ARE

HOWEVER,
WHY DON'T
THEY STOP
FIGHTING?

THE SA IS
ABUSING THE
POLITICAL POWER
OF THEIR
GOVERNMENT
AND HAVE
TAKEN AWAY
THE MEANING
OF THIS
BATTLE.

SO
ONCE
I'VE
SAID
THAT...

EVERYONE
WHO IS
TAKING
UP
THIS

CAST...

THAT IS
BECAUSE
THEY WANT
TO BE
THE CON-
QUEROR!

JUNGLE.

WE WILL ELIMI-
NATE ALL HOSTILE

ACTING
IRRAC-
TIONALLY

I DON'T
CARE!
FINISH
THEM!

WE
WANTED
THEM,
FINISH
THEM
OFF!

WHAT
FATHERHOOD
SUCKS!

AFTER
THAT, NEW
FORCES WILL
MANIPULATE
THE WORLD...

THE FIGHT FOR THE
SILVER-
POINT
OF NORTH
AMERICA
WAS HARD.

IN THE END
THE ALLIANCE
TROOP COULD
NOT BEAT
SOUTH AMERICA
UNDER THEIR
CONTROL, AND
THEY LEFT
BEHIND THE
TREATY WAS
SIGNED.

"ALL THE
COUNTRIES ON
EARTH SHALL HAVE
THEIR BOUNDARIES
RESTORED BACK
TO THE STATE

TERMS OF THE
PEACE TREATY
SIGNED BY THE
FEDERATION AND
PLANT SPOKE
EVERYTHING.

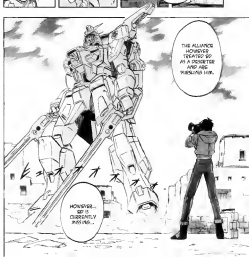

RENA
WHO WAS
TREATED
BY ZART
RETURNED
TO THE SA
FORCES.

AS A RESULT,
ZART IS THE
DEEN FROM
SARTIA, AND
AT THE
SAME TIME,

SOUTH
AFRICA
BECAME AN
INDEPENDENT
COUNTRY
LIKE IT USED
TO BE,
BEFORE
THE WAR.

THE ALLIANCE
HOWEVER
TREATED SO
AS A DISASTER
AND ARE
FIGHTING FOR.

HOWEVER...
SO IT
CURRENTLY
FIGHTING...

YEAH

WE STILL HAVE TO
CARRY OUT
DIFFICULT
TIPS OF
INTERESTS
AFTER THIS
EVENT?

ALL
RIGHT,
LET'S
GO!

A MS PILOT WHO WAS
ORIGINALLY A FIGHTER
PILOT FOR THE UNITED
STATES OF SOUTH
AMERICA. DURING THE
GREAT WAR AGAINST
PLANT, HE PARTICIPATED
IN VARIOUS BATTLES,
AND LEFT A MAGNIFI-
CENT RECORD. BUT
AFTER THE WAR, HE
DEERTED THE
ALLIANCE FORCES...

EDWARD
MARCELSON,
NICKNAMED
ED THE
RIPPER.

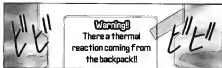

IF I EVER
COME TO
KNOW IN THE
FUTURE THAT
THIS BATTLE
IS GOING TO
BE RECORDED IN
HISTORIC
TEXT,

I WOULD
MENTION
ABOUT A
HERO THAT
KEPT ON
FIGHTING
FOR THE
SAKE OF
GAINING

O ASTRAY: THE PERIOD AFTER THE TREATY'S CONCLUSION

In the next page, the Impulse Gundam story begins: after more than one year has since passed since the "South American Hero" arc. The interlude of Jee and Kalle between these two events is chronicled in the novel version of Mobile Suit Gundam GED DESTINY ASTRAY Volume 1 pocket edition.

Jee pilots the Out Frame with Kalle (on one such occasion with the mercenary force known as the "Serpent Tail") and covers events happening off over the world. The "Convoy of Stardust" event which takes place in the African Community involves trouble between ZAFT and the Junk Guild.

In the "Big Ficat" chapter, a familiar Junk Guild Member appears. Meanwhile, in "Independent Region AYINOS78," hostilities are brewing between Reika and the Serpent Tail. And in the final installment, "European Hero," a battle against the Hyperion is chronicled.

Another interesting story unfolds upon the stages of the Cosmic Era.

THE ABILITY TO CHANGE THE SITUATION LIES IN THE HANDS OF A FEW ACE PILOTS.

SCANLATIONS OFFICIAL RELEASE

Well, it's been a long time since we decided to release something, so I thought it was time, once again, to shut the idiotic fans up for once and release something. Just because we are the only Gundam scandalous group remaining on the net doesn't mean that we have to release a steady stream of material. :>
"thinks happy thoughts"

Okay, that aside, you are probably wondering why Scamp.07 wasn't translated. Well, if you can't already tell by looking at it, it has absolutely nothing to do with the series at all. It's a 'filler' chapter and provided no real plot for the series (aside from the introduction of Setoan Winters and the stunning return-from-the-dead character Prayer.) Before all you self-proclaimed experts on the series decide to go 'climby climby' Prayer didn't dyed her gonna start some shit? don't bother. Prayer does/will not play a role in this series.

With that, I'd like to thank everyone involved in this project once again. Without your assistance I wouldn't be able to do anything quite frankly. With tons of last changes midway through the production, it wasn't be checked until we release the complete series after all the volumes have been released by Kadokawa. This will include the chibi comics and any other extra material in it. Stay tuned for Volume 3 from us in January 2006 (or so, even if it kills me!).

P.S. I know that for calling myself a "photoshop whore" doesn't really show in the manga that we release... I just got lazy once again and didn't do things properly. :>

THE FOLLOWING PASSAGE COMES
FROM THE NOVELIZATION VERSION
OF DESTINY ASTRAY

Cosmic Era 70

この年、自然に産まれた人類であるナチュラルと、遺伝子操作を受けたコーディネイターとの間に戦争が勃発した。

ナチュラルは、国家間の枠組みを超え地球連合を組織し、物量をもってコーディネイターとの戦いに臨んだ。

対するコーディネイターの国であるプラントは、軍事組織ザフトを結成、それまでの兵器の概念を隔す「人型の巨大マシン」である、モビルスーツを戦線に投入する。

結果、戦いはザフト有利に進む。

モビルスーツの機動性、汎用性は、今までの兵器の常識を超えており、物量をもって戦いに挑んだ地球連合を圧倒したのだ。

また、モビルスーツの機体にはコーディネイターの反射神経や運動能力が不可欠であった。

開戦から一年以上経過して、やっと地球連合はナチュラルでも操縦可能なモビルスーツの開発に成功。対するザフトも、対抗策として、つぎつぎと新兵器を開発し戦線に投入した。

Above Quene Island

As the Karel Pelzer Handgunners, after Quene Purgas was retrieved by her father, Admiral Purgas, they landed safely back towards the Air Jetel airport on a jet plane and entered the International Departure Hall.

From being caught at the sea bed of the horizontal river, to meeting her father who has arrived by a helicopter a few hours later, all these were done in an extremely short time.

This is only possible because Quene's father, Admiral Purgas is a high ranking officer that has been assigned to the Commanding Officer of the North Federation Forces. If this is not so, the police would not have conducted such a large operation just to search for a child.

A person that Quene detect the most was waiting here.

Quene looks behind her father, probably not to notice that woman and stopped.

"Quene...?"

"Why must I take the same flight as that woman?"

Quene turns her back towards Admiral and reached to head outside.

"Quene! Run with it! We only need to reach space. After that, you can do as you wish."

Admiral spoke in a gentle tone to try and ease Quene. Even though he appears dignify towards Quene, he has no chance but to act that way.

EDITOR

Coastal the 21 - Helipole is affected by DMT.

The reason for this was because of the development of mobile suits within 2. Of the five units, only one was recovered by the Earth Alliance; the remaining four were captured by DMT. It was only then that the people learnt of the truth. In reality, there was a small satellite connected to Helipole which had created three other mobile suits. Its codename: JDMT. These suits would be the prototypes of Gb.

The JDMT units incorporated many of the Earth Alliance Gundam technology, yet in spite of the attack on Helipole, the project was dropped. However, before the existence of the prototypes could be destroyed, there was a destined meeting amongst two people. One, them and Gb. Muckel's love would come to keep the red frame and Gb the blue. What remained from the three prototypes was the arm of the Gb frame, its main body still unaccounted for.
